

INNOVATIVE and AUSTRALIAN

NUTRI-GRO PLUS

NUTRI-GRO PLUS

Organic Fertilizer Plus Organic Insecticide with Wetting agent.

A natural and safe insecticide for the control of Lawn Army and African Black Beetle in Turf.

• **NUTRI-GRO PLUS** is safe, non-toxic effective alternative to conventional chemicals and pesticides for control of Black Beetle and Lawn Army Worm. The active constituent of 10g/L Eucalyptus Oil and 2.5g/L Tea Tree Oil protects turf with the unique formulation that provides broad spectrum insecticidal cover.

• **NUTRI-GRO PLUS** promotes healthier, greener, stronger turf by improving the nutrition of turf through its synergistic blend of chicken manures, crustacean shells, fish emulsion and plant extracts. It provides essential nutrients and trace elements needed for stronger grass.

• Save water and penetrate deeper with this specially derived organic wetter based on essential oils. This extraordinary soil wetter enhances the effectiveness of the insecticide and fertiliser properties of **NUTRI-GRO PLUS** be delivering these ingredients to where action is: **The root layer.**

- Provides more disease-resistant grass.
- Improves grass root growth

A concentrated natural fertiliser for greener and more beautiful grass.

MORE NUTRITION – Contains a trace element package of Iron, Boron, Magnesium, Copper, Cobalt and Molybdenum.

ECONOMICAL – 20 litres to 400 litres of water will cover from 1,600sq metres.

LABOUR SAVING – May be applied faster than solid fertilisers.

DEEPER PENETRATION – Contains specifically designed wetting agents to help penetrate deep into the thatch and soil layer.

LONG LASTING – Penetrates deep into the soil and feeds grass roots.

QUICK RESULTS – Faster growth and greening.
