APVMA APPROVAL NUMBER 49666/0402

Batch  
Number:

Date of  
Manufacture:

ChlorpyrifosG10kg0803V1

## DIRECTIONS FOR USE

**RESTRAINTS: Do not apply inside houses or other buildings.**

SITUATION	INSECT	RATE	CRITICAL COMMENTS
Turf including Golf Greens, Bowling Greens and Lawns	Ants, Argentine Ants, Lawn Beetles (not Tas)	200g/100m <sup>2</sup> (3 Kg per standard Bowling Green)	Evenly apply product across area to be treated either by hand or using a correctly calibrated granular fertilizer spreader. Treat when pests are active. Water well soon after application.
	Argentine Stem Weevil (not Qld and NT only)	400g/100m <sup>2</sup> (6 Kg per standard Bowling Green)	
Domestic, Commercial, Industrial and Public Service Areas	Argentine Ants (Tas only)	200g/100m <sup>2</sup>	Sprinkle product lightly around nests and trails and other areas where ants are active. Only to be used in areas not easily accessible by birds.
Outdoor Areas including Gardens	Ants, Argentine Ants		Sprinkle product lightly around nests and trails and other areas where ants are active.

**In Western Australia Argentine Ants must be reported to the Department of Agriculture.**

**NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.**

## GENERAL INSTRUCTIONS

### PRECAUTIONS:

**DO NOT** heap granules. These granules may kill birds if ingested.

**DO NOT** feed granules or otherwise expose to wild or domestic birds.

### INSECTICIDE RESISTANCE WARNING:

## GROUP 1B INSECTICIDE

Barmac Chlorpyrifos G Granular Insecticide is an acetyl choline esterase inhibitor. For insecticide resistance management Barmac Chlorpyrifos G Granular Insecticide is a Group 1B insecticide. Some naturally occurring individual insects resistant to Barmac Chlorpyrifos G Granular Insecticide and other Group 1B insecticides may exist through normal genetic variability in any insect population. The resistant individuals can eventually dominate the insect population if these insecticides are used repeatedly.

These resistant insects will not be controlled by Barmac Chlorpyrifos G Granular Insecticide and other Group 1B insecticides, thus resulting in reduction in efficacy and possible yield loss. Since the occurrence of resistant insects is difficult to detect prior to use, Barmac Industries Pty Ltd accepts no liability for any losses that may result from the failure of Barmac Chlorpyrifos G Granular Insecticide to control resistant insects.

**PROTECTION OF LIVESTOCK:** Do not graze treated lawn/turf or feed lawn/turf clippings from the treated area to poultry or livestock.

**PROTECTION OF WILDLIFE, FISH, CRUSTACEA AND ENVIRONMENT: HIGHLY TOXIC TO BIRDS AND REPTILES. VERY HIGHLY TOXIC TO FISH AND AQUATIC INVERTEBRATES.** Do not contaminate streams, rivers or waterways with the chemical or used container. Dangerous to bees. Do not apply near any plants in flower while bees are foraging. Do not apply if heavy rains or storms that are likely to cause surface runoff are forecast in the immediate area within two days of application.

**STORAGE AND DISPOSAL:** Store in the closed original container in a well-ventilated area, as cool as possible. Do not store for prolonged periods in direct sunlight. Store in a locked room or place away from children, animals, foods, feedstuffs, seed and fertilizers. Triple or preferably pressure rinse containers before disposal. Do not dispose of chemicals on-site. If recycling, replace lid and return clean containers to recycler or designated collection point. If not recycling, break, crush, and or puncture and bury empty containers in a local authority landfill. If not available bury containers below 500 mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers or product should not be burned.

**SAFETY DIRECTIONS:** Harmful if swallowed. May irritate the eyes and skin. Avoid contact with the eyes and skin. Repeated minor exposure may have a cumulative poisoning effect. Do not inhale dust. When using the product wear rubber gloves. Wash hands after use. After each days use wash gloves.

**FIRST AID:** If poisoning occurs, contact doctor or Poisons Information Centre Phone 131 126.

**MATERIAL SAFETY DATA SHEET:** Additional information is listed on the Material Safety Data Sheet available from Barmac Industries Pty Ltd.

Notice: This product is designed only for the particular purposes indicated on the label. Failure to use the product strictly as directed may be illegal, prove dangerous and render the product ineffective. The buyer or user is responsible for any misuse or negligence in the handling, storage, use of or disposal of this material. Barmac Industries Pty Ltd will not accept any responsibility whatsoever and howsoever arising whether for consequential loss or otherwise in connection with the supply and use of this product other than those responsibilities mandatorily imposed by Statutes applicable to the sale and supply of these goods.
