Date of manufacture

DIRECTIONS FOR USE

DO NOT apply to dry grass.

DO NOT allow spray deposit to dry on leaves before applying irrigation.

DO NOT apply to turf which may be grazed or fed to animals.

SITUATION	RATE	COMMENTS
Golf Greens, Tennis Courts, Lawns etc	Neotrol Liquid should be applied at the rate of 100ml/100m ² in a minimum of 5 litres of water. Irrigate after application.	Used as an organic amendment to increase cation exchange capacity, nutrient and soil moisture retention capacity of the soil profile. Apply to wet turf and damp soil after irrigation or rainfall. Irrigate immediately after application with sufficient water to incorporate in top 5-10 cm of soil. Regulate the volume of irrigation to avoid the formation of pools and puddles.
Bowling Greens		
Fairways, Playing Fields, Parks etc		

CAUTION: This product contains high concentrates of sesamin and sesamol which are highly toxic to some varieties of nematodes. DO NOT apply to areas where desirable nematodes have been introduced. Due to the risk of phytotoxicity apply the product in the late afternoon or evening particularly in warmer weather.

MIXING: Fill spray vessel with half the required volume of water. Add required amount of Neotrol to spray tank while agitating. Add remaining water to the spray tank. Continue agitating during application. Wash out spray tank, including nozzles immediately after use.

PROTECTION OF LIVESTOCK: Do not graze treated lawn/turf or feed lawn/turf clippings from the treated area to poultry or livestock.

PROTECTION OF WILDLIFE, FISH, CRUSTACEA AND ENVIRONMENT: Do not contaminate streams, rivers or waterways with the chemical or used container.

STORAGE AND DISPOSAL: Store in the closed original container in a well-ventilated area, as cool as possible. Do not store for prolonged periods in direct sunlight. Store in a locked room or place away from children, animals, foods, feedstuffs, seed and fertilizers. Triple or preferably pressure rinse containers before disposal. Do not dispose of chemicals on-site. If recycling, replace lid and return clean containers to recycler or designated collection point. If not recycling, break, crush, and or puncture and bury empty containers in a local authority landfill. If not available bury containers below 500 mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers or product should not be burned.

SAFETY DIRECTIONS: When using the product wear rubber gloves. Wash hands after use. After each days use wash gloves.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre ph 13 11 26.

MATERIAL SAFETY DATA SHEET: Additional information is listed on the Material Safety Data Sheet available from Barmac Industries Pty Ltd or from our internet site www.barmac.com.au.

NOTICE: This product is designed only for the particular purposes indicated on the label. Failure to use the product strictly as directed maybe illegal, prove dangerous and render the product ineffective. The buyer or user is responsible for any misuse or negligence in the handling, storage, use of or disposal of this material. Barmac Industries Pty Ltd will not accept any responsibility whatsoever and howsoever arising and whether for consequential loss or other wise in connection with the supply and use for this product other than those responsibilities mandatorily imposed by Statutes applicable to the sale and supply of these goods
