

DIRECTIONS FOR USE

TURF & LAWNS

CROP	WEEDS CONTROLLED	RATE	RATE PER BOWLING GREEN (37m x 37m)	CRITICAL COMMENTS
Common Couch All States	Winter grass	1.2L per Ha (12mL/100m ²)	170 mL	Apply during the autumn and winter to established turf infested with seedling winter grass. Sufficient water should be used to ensure uniform coverage. Irrigate immediately following application with equivalent to 12 to 25mm rainfall and repeat watering after 24 hours. A repeat treatment may be necessary on Queensland Blue Couch after 4 weeks. DO NOT RE-SEED FOR 60 DAYS AFTER TREATMENT. Use only on established turf. DO NOT use on bluegrass, ryegrass, fescue or bent grass lawns.
Queensland blue couch QLD only		0.6L per Ha (0.6mL/100m ²)	85 mL	
Buffalo grass WA only		1.2L (12mL/100m ²)	170 mL	

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

Best results are obtained when application is made to a cool wet soil.

MIXING:

Prior to pouring, shake container vigorously, then add the required quantity of Poa Pro to water in the spray vat while stirring or with agitators in motion. **DO NOT** mix with other pesticides.

EQUIPMENT

The product should be applied with properly calibrated spray equipment. Select nozzles to give uniform ground cover. Equipment which has previously been used for the application of other weed killers must be thoroughly decontaminated before use. Wash spray equipment thoroughly after use.

CAUTION
KEEP OUT OF REACH OF CHILDREN
READ SAFETY DIRECTIONS BEFORE OPENING OR USING

RESISTANT WEEDS WARNING

GROUP K HERBICIDE

Barmac Poa Pro is a member of the amide group of herbicides. Poa Pro belongs to the herbicide group with diverse sites of action. For weed resistance management, Poa Pro is a Group K herbicide. Some naturally-occurring weed biotypes resistant to Poa Pro and other Group K herbicides may exist through normal genetic variability in any weed population. The resistant individuals can eventually dominate the weed population if these herbicides are used repeatedly. These resistant weeds will not be controlled by Poa Pro or other Group K herbicides.

Since the occurrence of resistant weeds is difficult to detect prior to use, Barmac Industries Pty Ltd accepts no liability for any losses that may result from the failure of Poa Pro to control resistant weeds.

PROTECTION OF CROPS, NATIVE AND OTHER NON-TARGET PLANTS

DO NOT apply under weather conditions, or from spraying equipment, that may cause spray to drift onto nearby susceptible plants/crops, cropping lands or pastures.

PROTECTION OF LIVESTOCK

DO NOT graze treated turf/lawn; or feed turf/lawn clippings from any treated area to poultry or livestock.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

STORAGE AND DISPOSAL

Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight. **DO NOT** store near fertilisers, insecticides, fungicides and seeds.

Protect from frost. Triple or preferably pressure rinse container before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500 mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

SAFETY DIRECTIONS

Will irritate the eyes, and skin. Avoid contact with eyes and skin. When preparing spray and using the prepared spray, wear cotton overalls buttoned to the neck and wrists, a washable hat, elbow-length PVC gloves. Wash hands after use. After each day's use, wash gloves and contaminated clothing.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre (Phone 13 11 26).

MATERIAL SAFETY DATA SHEET

Additional information is listed on the Material Safety Data Sheet available from Barmac Industries Pty Ltd or from our internet site www.barmac.com.au.

NOTICE: This product is designed only for the particular purposes indicated on the label. Failure to use the product strictly as directed may be illegal, prove dangerous and render the product ineffective. The buyer or user is responsible for any misuse or negligence in the handling, storage, use of or disposal of this material. Barmac Industries Pty Ltd will not accept any responsibility whatsoever and howsoever arising and whether for consequential loss or otherwise in connection with the supply and use of this product other than those responsibilities mandatorily imposed by Statutes applicable to the sale and supply of these goods
