SAFE HANDLING INFORMATION

STORAGE AND TRANSPORT:

STORAGE: Store in original container only in a cool, well-ventilated, dry location away from heat sources or directly sunlight. Do not store near food or feeds. Do not stack pallets more than two high.

TRANSFER EQUIPMENT: Transfer product using chemical-resistant plastic or stainless steel tanks, pumps, valves, etc.

WORK/HYGIENIC PRACTICES: Keep out of reach of children. Harmful if swallowed or if material comes into contact with eyes. Avoid breathing dust. Avoid contamination of feed or foodstuffs. After using this product remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water.

SPILLS AND DISPOSAL:

CONTAINMENT: Prevent product spillage from entering drinking water supplies or streams.

CLEAN UP: Sweep up or collect and package in suitable containers for disposal.

EVACUATION: Not necessary.

FIRE/EXPLOSION HAZARD: Product may burn at high temperatures and vapours may be emitted. Fire fighters should wear self contained breathing apparatus.

NOTICE: Information for this product is believed to be reliable, however buyer and user assume all risk of use, handling and storage whether in accordance with directions or not. Barmac Industries Pty Ltd and its agents give no guarantee or warranty of any kind express or implied concerning the use of this product and will not accept any responsibility whatsoever whether in contract or tort for any loss including consequential loss arising out of the use of this product or caused by this product.
